REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 2, 3, and 16-20 are allowed in view of a decision from the Board of Appeals rendered on 06/02/2009; and Petition decision rendered on 9/21/09.

Summary of the Board decision is reproduced below:

DECISION

We affirm the Examiner's rejection of claims 1, and 4-15 under § 102(e). We reverse the Examiner's rejection of claims 1-20 under §112, second paragraph.

No time period for taking any subsequent action in connection with this appeal may be extended under 37 C.F.R. § 1.136(a).

The 9/21/09 Petition decision states that "[r]eference to the Decision on Appeal (page 20 thereof), mailed June 02, 2009, reveals that the Examiner's rejection of pending depending claims 2, 3 and 16-20 was in fact reversed by the Board."

And therefore, the Petition decision reversed the Examiner's decision mailed 9/16/09 to hold the case (claims 2, 3 and 16-20) abandoned. The Examiner's decision to hold the case (claims 2, 3, and 16-20) was based on MPEP 1214.06, section I(A), and that there were two separate grounds of rejections (35 USC 102 and 35 USC 112) before the Board, and as indicated in the Board decision shown above, the Board affirmed the rejection under 35 USC 102 while reversed the rejection under 35 USC 112.

MPEP 1214.06, section I(A), is reproduced below.

The proceedings in an application or *ex parte* reexamination proceeding are terminated as of the date of the expiration of the time for filing court action. The application is no longer considered as pending. It is to be stamped abandoned and sent to abandoned files. In an *ex parte* reexamination proceeding, a reexamination certificate should be issued under 37 CFR 1.570.

Claims indicated as allowable prior to appeal except for their dependency from rejected claims will be treated as if they were rejected. The following examples illustrate the appropriate approach to be taken by the examiner in various situations:

(A) If claims 1-2 are pending, and the Board affirms a rejection of claim 1 and claim 2 was objected to prior to appeal as being allowable except for its dependency from claim 1, the examiner should hold the application abandoned.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
